Arix Bioscience plc

**Autolus announces launch of proposed public offering in the United States**

**LONDON, 9 April 2019:** Arix Bioscience plc (LSE:ARIX) ("Arix"), a global venture capital company focused on investing in and building breakthrough biotech companies, today notes that its portfolio company Autolus Therapeutics plc (NASDAQ: AUTL) ("Autolus"), has filed a registration statement on Form F-1 with the U.S. Securities and Exchange Commission (the "SEC") relating to a proposed underwritten public offering in the United States of its American Depositary Shares ("ADSs"), each ADS representing one ordinary share.

The proposed maximum aggregate offering amount specified in the filing is 4,000,000 ADSs, which does not include the underwriters' option to purchase 600,000 additional ADSs. The final price per ADS in the offering will be determined following a book building process.

The registration statement can be accessed through the SEC's EDGAR database.

This announcement does not constitute an offer to sell or the solicitation of an offer to buy securities, and shall not constitute an offer, solicitation or sale in any jurisdiction in which such offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of that jurisdiction.

The securities referred to in this announcement are to be offered only by means of a prospectus. When available, copies of the preliminary prospectus can be obtained from Goldman Sachs & Co. LLC, Attention: Prospectus Department, 200 West Street, New York, NY 10282, or by telephone at +1 866 471 2526 or by email at [prospectus-ny@ny.email.gs.com](mailto:prospectus-ny@ny.email.gs.com); or Jefferies LLC, Attention: Equity Syndicate Prospectus Department, 520 Madison Avenue, 2nd Floor, New York, NY 10022, or by telephone at +1 877 821 7388 or by email at [Prospectus\\_Department@Jefferies.com](mailto:Prospectus_Department@Jefferies.com). For the avoidance of doubt, such prospectus will not constitute a "prospectus" for the purposes of Directive 2003/71/EC (and amendments thereto, including Directive 2010/73/EU, to the extent implemented in each relevant EU member state) and will not have been reviewed by any competent authority in any EU member state.
