

Bowers & Wilkins

From 2nd April to 30th June 2026

A Rare Opportunity

Bowers & Wilkins

800 Series TradeUP

How it works

Upgrade your sound with an exclusive new trade-up promotion from Jordan Acoustics, in partnership with Bowers & Wilkins.

Running from **2nd April to 30th June 2026**, this limited-time event gives clients the opportunity to take advantage of a generous trade-in scheme on their current loudspeakers and step into the world-renowned 800 Series range - widely regarded as the pinnacle of high-fidelity performance. Whether you're looking to refine your system or make a transformative leap in sound quality, this promotion makes upgrading more accessible than ever.

Keep reading — there's more.

Bowers & Wilkins

800 Series TradeUP

How it works

In addition to the value of your existing speakers, Jordan Acoustics is offering a **substantial deposit contribution** on each model in the 800 Series lineup:

- 805 D4 — £875 contribution
- 804 D4 — £1400 contribution
- 803 D4 — £2150 contribution
- 802 D4 — £2700 contribution
- 801 D4 — £3600 contribution

Signature Series

- 805 D4 Signature — £1175 contribution
- 801 D4 Signature — £4750 contribution

This means you benefit twice: first from your trade-in value, and again from a significant contribution towards your new speakers.

The Bowers & Wilkins 800 Series is celebrated for its cutting-edge engineering, iconic design, and uncompromising audio clarity - used in some of the world's most prestigious recording studios. With this trade-up event, owning a pair has never been more attainable.

Speak to the team at Jordan Acoustics today to arrange your trade-in evaluation and discover how far your system can go.
